ABOUT US

At DST Cleaning Services Ltd we pride ourselves on the personal touch and give attention to detail. We have been providing the commercial and Retail industry with our bespoke services for the last 18 years; our clients are our number one priority.

The company has an 'in house' Health and Safety Team that provide customers with all the required Health and Safety documentation. All Risk Assessments and Method Statements are site specific and provided alongside all relevant COSHH Assessments and our Company's Health and Safety Policy.

All our employees are vetted and ID checked before gaining a position with the company. Every cleaning operative is thoroughly trained to carry out all cleaning tasks to the highest standard.

This means that we seek to ensure that responsible business practice is fully integrated into the management of our operations and into the culture of all divisions of our business. We strive to continually improve our quality systems, health and safety policies and environmental charter via best practice, consultation and continuous improvement.

Our MISSION

'Our mission is to be both our existing and future customer's first choice.'
